

**REMARKS**

Applicants have amended the specification to include the priority claim, which was inadvertently omitted from the previously-filed specification. In this regard, Applicants note that no limitation has been added nor any substantive amendment related in any way to patentability.

Consideration of the above amendment is respectfully requested because it does not add any new material and is filed prior to any consideration by the Patent Office.

Respectfully submitted,

By: Herbert M. Hanegan, Reg. No. 44,738
